EXTENSIONS OF COVERAGE

The following extensions of coverage shall not increase the amounts of insurance applying under this Form and are subject to all conditions of this Form.

Removal

If any of the insured property is necessarily removed from the "project site" to prevent loss or damage or further loss or damage thereto, that part of the insurance under this Form that exceeds the amount of the Insurer's liability for any loss already incurred shall, for 7 days only, or for the unexpired term of the Policy if less than 7 days, insure the property removed and any property remaining at the "project site" in the proportions which the value of the property in each of the respective locations bears to the value of the property in them all.

Debris Removal

The Insurer will indemnify the Insured for expenses incurred in the removal from the "project site" of debris of the property insured, occasioned by loss or damage to such property, for which loss or damage insurance is afforded under this Form. The amount payable under this extension shall not exceed 25% of the total amount payable for the direct physical loss to property insured plus the amount of the applicable deductible.

Removal of Windstorm Debris

The Insurer will indemnify the Insured for expenses incurred in the removal of debris or other property which is not insured by this Form but which has been blown by windstorm upon the "project site".

Extensions of coverage Debris Removal and Removal of Windstorm Debris do not apply to costs or expenses:

- (1) To "clean up" "pollutants" from land or water; or
- (2) For testing, monitoring, evaluating or assessing of an actual, alleged, potential, or threatened spill, discharge, emission, dispersal, seepage, leakage, migration, release or escape of "pollutants".

Offsite Coverage

This Form insures the property described in **Property Insured**

- (1) In transit in Canada and continental United States of America (excluding Alaska) for the amount of insurance specified on the "Declarations Page" for In Transit.
- (2) At any location in Canada and continental United States of America (excluding Alaska) other than in transit or while being manufactured or undergoing any process, for the amount of insurance specified on the "Declarations Page" for Any Other Location.

BASIS OF CLAIM PAYMENT

Any loss under this Policy shall be adjusted with the General Contractor or Owner named herein and any settlement shall be based on cost of repairing, replacing or reinstating (whichever is the least) with material of like kind and quality and for like occupancy, on the same site without deduction for depreciation provided that

- (1) liability shall in no event exceed the amount actually and necessarily expended for repairs, replacement or reinstatement; and
- (2) if repairs, replacement or reinstatement with material of like kind and quality is restricted or prohibited by any by-law, regulation, ordinance or law, any increase in the cost of repairs, replacement or reinstatement due thereto shall not be insured by this Policy.

CESSATION OF COVERAGE

This form ceases to insure the project:

- (1) When the outbuilding, structure or same intended for agricultural purposes is ready for use or occupancy of any part or section.
 - (2) when left unattended for more than 30 consecutive days or when construction activity has ceased for more than 30 consecutive days;
 - (3) The expiration of this insurance;
- whichever first occurs.

BREACH OF CONDITIONS

Where a loss occurs and there has been a breach of condition relating to a matter before the happening of the loss, which breach would otherwise disentitle the Insured from recovery under this Form, the breach shall not disentitle the Insured from recovery if the Insured establishes that the loss was not caused or contributed to by the breach of condition or if the breach of condition occurred in any portion of the project over which the Insured has no control.

REINSTATEMENT

Loss under an item of this Form shall not reduce the applicable amount of insurance.

SUBROGATION

The insurer, upon making any payment or assuming liability therefore under this Form, shall be subrogated to all rights of recovery of the Insured against others and may bring action to enforce such rights. Notwithstanding the foregoing, all rights of subrogation are hereby waived against any corporation, firm, individual or other interest with respect to which insurance is provided by this Form.

Where the net amount recovered, after deducting the costs of recovery, is not sufficient to provide a complete indemnity for the loss or damage suffered, that amount shall be divided between the Insurer and the Insured in the proportion in which the loss or damage has been borne by them respectively. Any release from liability entered into by the Insured prior to the loss shall not affect the right of the Insured to recover.

PREMIUM ADJUSTMENT

The premium stated in this Form is provisional. Within 30 days after the termination or expiration of this insurance the Insured shall report to the Insurer the actual completed contract price and the value of any property not included in such completed contract price and insured herein or in the absence of a contract price the Insured shall report the total completed value of the project. The actual premium shall be calculated from inception date of this Form on the total value so reported at the rate shown on the "Declarations Page". If the premium so calculated exceeds the provisional premium the Insured shall pay to the Insurer the amount of such excess. If such premium is less than the provisional premium, the Insurer shall refund to the Insured the amount of the difference.

VERIFICATION OF VALUES

The Insurer or its duly appointed representative shall be permitted at all reasonable times during the term of this Policy or within a year after terminating or expiration to inspect the property insured and to examine the Insured's books, records and such policies as relate to any property insured hereunder. This inspection or examination shall not waive nor in any manner affect any of the terms or conditions of this Policy.
