3. Conditions Applying to This Coverage

3.1 The schedule of automobiles that you filed with us must include all automobiles in your fleet, as described in 2.1, on the effective date of your policy or renewal.

There is no coverage for automobiles owned or leased by you before the effective date of your policy or renewal if they are not included on the schedule of automobiles filed with us. For coverage to be provided for these automobiles, you must file a request for coverage.

3.2 The total premium stated in your policy is an advance premium and is due on the effective date of your policy.

3.3 The advance premium is subject to adjustment at the end of the policy period. You must deliver a written statement at the end of the policy period with the effective dates of all automobiles added to or deleted from the original schedule of automobiles during the policy period. We will calculate the premium for these automobiles on the basis shown below:

- on a pro rata basis of the rates specified for each type of use or description of automobiles, or
- on a 50/50 basis charging or refunding 50% of the rate specified for the net increase or decrease for each type of use or description of automobiles.

If the calculated premium results in an additional premium, you must pay that amount. If the calculated premium results in a return premium, we will refund that amount.

If we provide coverage on automobiles of a type or classification which are not listed on the schedule of automobiles or summarized below, our manual book rate, adjusted by the application of the experience credits or debits on which your policy was written, will apply.

With respect to automobiles described in 2.1 (iv), we will calculate the premium for these automobiles on the basis shown below:

Number of rental days (i.e. the sum of the number of days each vehicle has been rented during the prior term), at a rate of \$_____ per day.

3.4 If a schedule of automobiles is not attached to your policy, the following is a summary of the automobiles referred to in 3.1. This summary is the basis on which your policy is issued.

Number of Units	Type of Use or Description of Automobile	Location	Unit Rate	Advance Premium Excluding Provincial Sales Tax

3.5 You must make all books and records that relate to the premium basis or the subject matter of your policy available for our examination whenever we wish.

All other terms and conditions of your policy remain the same.
