

UNMANNED AIR VEHICLE SYSTEM – FARM PROPERTY

Attached to and forming part of "Enhanced Farm Machinery and Equipment Form"

This endorsement is intended to be used in conjunction with Unmanned Air Vehicle System Farm Liability Endorsement

COVERAGE

"We" insure "your" "unmanned air vehicle", listed on the Declaration Page and/or Supplementary Schedule while in use for agricultural purposes only and not carrying a "dispensable load", subject to the terms and conditions of the Policy and this Form. This cover is subject to 80% co-insurance clause and provides coverage anywhere within Canada and the continental United States of America.

INSURED PERILS

"We" insure "your" "unmanned air vehicle system" against all risks of direct physical loss or damage.

LOSS OR DAMAGE NOT INSURED

(1) (a) is removed and replaced by the following:

"We" do not insure:

- (a) automobiles and motor trucks or any motorcycles, snowmobiles or similar equipment designed or licensed for highway use or any vehicle subject to motor vehicle registration, all terrain vehicles (ATV's), gators, air cushion vehicles, aircraft, unmanned air vehicle systems (not including "unmanned air vehicle systems" not carrying a "dispensable load" while used for Agricultural purposes), watercraft, portable saw mills or machinery and equipment used in logging or forestry operations;

DEFINITIONS

"Dispensable loads" means: Cargo configured to be dispensed from an "Unmanned Air Vehicle System" while in flight.

"Unmanned Air Vehicle System" means a power-driven aircraft that is operated without a flight crew member onboard, with its flight controlled either autonomously by onboard computers or by the remote control of an operator. This includes the airframe, motor, propellers, rotors, battery, spare parts, vehicle navigation system or flight controller, and ground control systems. "Unmanned Air Vehicle System (s)" do not include model aircraft.

All other policy terms, limits and conditions apply.
