Data Exclusion

This Policy does not insure:

- (1) "Data"; or
- (2) loss or damage resulting from, contributed to or caused directly or indirectly by "Data Problem".

However, if loss or damage caused by "Data Problem" results in the occurrence of further loss or damage to property insured that is directly caused by "Specified Perils" as defined in this Policy, this exclusion shall not apply to such resulting loss or damage.

BASIS OF CLAIM PAYMENT

When coverage applies, "we" will pay for insured loss or damage up to "your" financial interest in the property, but not exceeding the applicable amount(s) of insurance for any loss or damage arising out of one occurrence.

Any loss or damage shall not reduce the amounts of insurance provided by this Policy (except as limited under Pollution Coverage).

If "you" qualify for a tax credit, the loss payment will be reduced by that amount.

Deductible

In any one occurrence, "we" are responsible only for the amount by which the insured loss or damage caused by any of the Insured Perils exceeds the amount of the deductible shown on the Declaration Page.

However, the deductible shall not apply to any loss which exceeds \$25,000 in any one occurrence.

If one occurrence could lead to the application of more than one deductible, only the largest deductible will apply.

If "your" claim involves personal property on which the special limits of insurance apply, the limitations apply to losses exceeding the deductible amount.

Dwelling Building and Detached Private Structures

If "you" repair or replace the damaged or destroyed building on the same location, with a building of the same occupancy constructed with materials of similar quality within a reasonable time after the damage, "You" may choose as the basis of loss settlement either (A) or (B) below; otherwise, settlement will be as in (B).

- (A) The cost of repairs or replacement (whichever is less) without deduction for depreciation, in which case "we" will

pay in the proportion that the applicable amount of insurance bears to 80% of the replacement cost of the damaged building at the date of damage, but not exceeding the actual cost incurred.

- (B) The actual cash value of the damage at the date of the occurrence.

Guaranteed Rebuilding Cost – Dwelling Building

If this coverage is shown on the Declaration Page, “You” may choose as the basis of loss settlement for the building(s) designated with this coverage either (A) or (B) below; otherwise settlement will be as in (B).

- (A) “We” will pay the full cost of repairs or replacement even if it exceeds the amount of insurance stated on the Declaration Page for the Dwelling Building.
- (B) If “you” decide not to repair or replace, “We” will pay the Actual Cash Value of the damage to the Dwelling Building up to the applicable amount of insurance stated on the Declaration Page.

This coverage is available as long as the following conditions are met.

- (1) The building is insured to 100% of its replacement cost. This cost will be established by the use of an industry recognized evaluation calculator;
- (2) “you” agree to accept each annual adjustment in the coverage limits of liability and pay the additional premium;
- (3) “you” notify “us” within 30 days of the start of any additions or other physical changes to the dwelling building(s) which may increase the replacement cost of the structure by 5% or more, and to pay any resulting additional premium;
- (4) “you” decide to repair or replace the damaged or destroyed dwelling building on the same location with a building of the same occupancy constructed with materials of similar quality within a reasonable time after the damage; and
- (5) This extension does not apply to Dwelling Buildings while “under construction”.

Guaranteed Replacement Cost does not apply to losses or increased costs of repair or replacement due to the operation of any law or subordinate authority, including but not limited to any by-law, decree, executive order, guidelines, ordinance, policy, regulation, rule, ruling, building code requirement, or requirements of law, governmental or other public authority regulating the zoning, demolition, repair, construction or reconstruction of buildings and their related services, other than that coverage provided under bylaws insurance Extension of Coverage.

This coverage is void if “you” fail to comply with the above noted conditions.

Personal Property (On Premises or Off Premises) – Replacement Cost

- (1) For electronic media “we” will pay the cost of reproduction from duplicates or from originals of the previous generation of the media. “We” will not pay the cost of gathering or assembling information or data for reproduction.
- (2) For other records, including books of account, drawings or card index systems, “we” will pay the cost of blank books, pages, cards or other materials plus the cost of actually transcribing or copying the records.
- (3) “We” will pay on the basis of replacement cost for all other personal property except;
 - (a) articles that cannot be replaced with new articles because of their inherent nature, including antiques, fine arts, paintings, and statuary;
 - (b) articles for which their age or history substantially contributes to their value, such as memorabilia, souvenirs, and collector’s items;
 - (c) property that has not been maintained in good or workable condition;
 - (d) property that is no longer used for its originally purpose;for which “we” will pay only on the basis of actual cash value.

Replacement Cost

Replacement Cost means the cost, on the date of the loss or damage, of the lower of:

- (1) repairing the property with materials of similar kind and quality; or
- (2) new articles of similar kind, quality and usefulness; without deduction for depreciation.

Loss of items such as fine arts, antiques, paintings and articles which, by their inherent nature, cannot be replaced with a comparable article will not be settled on a Replacement Cost basis.

“We” will pay on the basis of replacement cost only if the property lost or damaged is repaired or replaced as soon as reasonably possible. Otherwise “We” will pay on the basis of actual cash value.

“You” may choose payment on the basis of actual cash value initially. If “You” later decide to replace any destroyed or stolen property “You” may make an additional claim for the difference between the actual cash value and replacement cost basis within 180 days after the date of loss.

For personal property described under special limits of insurance “we” will not pay more than the applicable limit under either the replacement cost or actual cash value basis.

Actual Cash Value

The actual cash value will take into account such things as the cost of replacement less any depreciation, and in determining depreciation “we” will consider the condition immediately before the damage, the resale value and the normal life expectancy.

Combined Limit

This clause only applies if it is specified on the “Declaration Page”.

If the amount of insurance stated on the Declaration Page for any Section I coverages (Dwelling Building, Detached Private Structures, Personal Property or Additional Living Expense) is inadequate to satisfy "your" loss, "you" may apply the unused amounts of insurance remaining under other Section I coverages until the total amounts of insurance under these coverages become exhausted.

The sum of the limits of insurance for Dwelling Building, Detached Private Structures, Personal Property or Additional Living Expense is the Combined Limit.

"You" must comply with the following conditions:

- (1) The "Dwelling" Building and all detached private structures are insured to 100% of its rebuilding cost. This cost will be established by the use of an industry recognized evaluation calculator;
- (2) "You" agree to accept each annual adjustment in the coverage limits of liability as recommended by "us" and pay the additional premium;
- (3) "You" notify "us" within 30 days of the start of any additions or other physical changes to the building(s), which may increase the rebuilding cost of the structure by 5% or more, and pay any resulting additional premium; and
- (4) The building is promptly built on the same site.

If "you" do not comply with the above conditions the Combined Limit settlement basis will not apply. The applicable Policy limits stated on the Declaration Page for "Dwelling" Building, Detached Private Structures, Personal Property or Additional Living Expense will apply.

If Guaranteed Rebuilding Cost is shown as included on the Declaration Page and in the event of an insured loss to the "Dwelling" Building, the limit shown for "Dwelling" Building is subtracted from the Combined Limit and the loss on the Dwelling Building is settled in accordance with Guaranteed Rebuilding Cost Clause. Additional loss on Detached Private Structures, Personal Property and/or Additional Living Expense will be paid up to the remaining portion of the Combined Limit.

Amounts Not Reduced

Any loss or damage shall not reduce the amounts of insurance provided by Section I of this Policy.

Insurance Under More Than One Policy:

If "you" have insurance on specifically described property, "our" Policy will be considered excess insurance and "we" will not pay any loss or claim until the amount of such other insurance is used up.

In all other cases, "we" will pay "our" rateable proportion of the loss or claim under this Policy.
