- (2) new articles of similar kind, quality and usefulness, without deduction for depreciation.

Loss of items such as fine arts, antiques, paintings and articles which, by their inherent nature, cannot be replaced with a comparable article will not be settled on a Replacement Cost basis.

"We" will pay on the basis of Replacement Cost only if the property lost or damaged is repaired or replaced as soon as reasonably possible. Otherwise "We" will pay on the basis of Actual Cash Value.

"You" may choose payment on the basis of Actual Cash Value initially. If "You" later decide to replace any destroyed or stolen property "You" may make an additional claim for the difference between the Actual Cash Value and Replacement Cost basis within one-hundred and eighty (180) days after the date of loss.

For personal property described under Special Limits of Insurance "We" will not pay more than the applicable limit under either the Replacement Cost or Actual Cash Value basis.

Actual Cash Value

The Actual Cash Value will take into account such things as the cost of replacement less any depreciation, and in determining depreciation "We" will consider the condition immediately before the damage, the resale value and the normal life expectancy.

Amounts Not Reduced

Any loss or damage shall not reduce the amounts of insurance provided by this Policy.

Insurance Under More Than One Policy

If "You" have insurance on specifically described property, "Our" Policy will be considered excess insurance and "We" will not pay any loss or claim until the amount of such other insurance is used up.

In all other cases, "We" will pay "Our" rateable proportion of the loss or claim under this Policy.
